## SUPPLEMENT TO THE ALPHABETICAL INDEX TO THE TOWNLANDS AND TOWNS OF IRELAND.

NOTE.—This Supplement contains all the Townland Divisions of Ireland in which an alteration has been made since 1801, but Townlands of which the Area only has been revised, or whose the Index Number of the District Electoral Division in Table VII of the County Book, alone, has been changed, are not included therein. In the latter case the new Index Number is ascertainable from the Reference Index given at page 18 hereto.

\* The names of Towns are printed in SMALL CAPITALS, and Townships which are not Townlands, in Italics.

County Districts with the letter "U." affixed are Urban Districts, all others are Rural. The County District is in the Post Law Union of the same name except where noted.
